

REQUEST TO CHANGE YEAR 11/12 SUBJECTS 2024

Changing a subject requires careful thought as it may impact your TCE progress or academic pathway. If you wish to change a subject, please discuss this with your parent/carer and submit this form to the secondary office.

Name: _____ **Year Level in 2024:** _____

I wish to change from _____ (subject/s name and level)

to _____ (subject/s name and level)

Explain the reason for this change below:

TASC provides a Planning Tool <https://www.tasc.tas.gov.au/students/course-planner/> that allows students to track their TCE progress. Please keep your TCE plan up to date as you progress through Year 11 and 12.

By signing below, I am acknowledging the following:

- I have consulted the TCE Planning Tool and determined that this subject change will not affect my ability to achieve my TCE
- I am aware of the levies and text book purchases required by this subject change
- I have looked at the course document on the TASC website and believe that I am able to meet the academic and physical demands of this course
- If this subject involves any independent/online study, I need to take responsibility for reading emails, checking SEQTA and engaging in all required aspects of the course.
